LEADERSHIP

MESSAGE FROM INGLESIDE BOARD CHAIR AND PRESIDENT AND CEO

Despite all that has changed over the past 116 years, Ingleside's commitment to older adults has remained constant, never wavering even through the most formidable of obstacles.

Where many thought the pandemic would be left behind in 2020, it continued into 2021, presenting challenges for so many. Even through all of this, the Ingleside family has continued to adapt and respond swiftly.

In 2021, the Ingleside family found new ways to provide engaged living, impactful, and purposed opportunities for continued successes:

**HIGH COVID-19 VACCINATION RATES (95–97%) FOR RESIDENTS AND EMPLOYEES
HIGHLIGHTED COLLECTIVE COMMITMENT TO PROTECT COMMUNITIES.**

**WELCOMED NEW RESIDENTS TO THE COMMUNITY, GROWING OCCUPANCY
BY MORE THAN 6 PERCENT FROM 2020.**

**FOR THE THIRD YEAR, INGLESIDE WAS RECERTIFIED AS A “GREAT PLACE TO WORK” AND
RECEIVED RECOGNITION AS A *FORTUNE* BEST PLACE TO WORK IN AGING SERVICES.**

**CONTINUED COMMITMENT TO INNOVATION IN PROGRAMMING,
COMMUNICATION, AND SERVICES.**

ACCELERATED INFORMATION TECHNOLOGY UTILIZATION BY ALL.

This was made possible by the collaboration, dedication, and focus of the entire Ingleside family. This teamwork has allowed Ingleside to continue to fulfill its mission and its values while strategically targeting Ingleside's future to ensure Ingleside thrives in perpetuity!

Building on our desire to further serve the internal and external communities, Ingleside expanded at home services and Ingleside Engaged, a social day program that offers connection and meaning for people with neurocognitive decline.

These incredible accomplishments would not be possible without the continuous generosity of our donors and service of Ingleside volunteers. Your annual support and legacy commitments actively help our residents, employees, communities, and affiliates thrive!

Onward and upward with gratitude!

MESSAGE FROM WESTMINSTER INGLESIDE FOUNDATION BOARD CHAIR AND PRESIDENT AND CEO

Those served by Ingleside bring their unique talents, interests, and life experiences with others to form very special communities. A common thread sewn throughout the fabric of our communities is a tradition of volunteerism and caring for each other.

Acts of kindness are evident in so many ways—from volunteers tutoring employees preparing for their citizenship test to longtime residents welcoming new arrivals to join them for dinner. Of course, through the work of the Westminster Ingleside Foundation we see these acts of caring and kindness through philanthropic support.

**IN 2021, THE WESTMINSTER INGLESIDE FOUNDATION PROVIDED SUPPORT TO FIVE
RESIDENTS WITH \$145,030 IN ASSISTANCE FROM THE RESIDENT SUPPORTING FUND.**

This program assures no resident will be asked to leave an Ingleside community due to financial hardship of no fault of their own. During this period the Resident Supporting Funds were strengthened with \$565,296 in new gifts to ensure the future of this vital program.

SIXTY-SEVEN SCHOLARSHIPS WERE AWARDED TO INGLESIDE EMPLOYEES IN 2021.

These scholarships help deserving employees advance their education as well as help those applying for U.S. Citizenship. Ingleside residents know the importance of education in their lives and they generously help employees pursue their dreams. Westminster at Lake Ridge set the example, followed by Ingleside at King Farm, and now Ingleside at Rock Creek has awarded its first employee scholarships in 2021.

**AS A RESULT OF THE INCREDIBLE GENEROSITY OF OUR DONORS,
\$2,969,589 IN GIFTS WERE RECEIVED FROM 680 DONORS.**

Numerous special efforts were made possible by gifts to the Foundation in 2021 with donor-designated gifts to cultural arts, wellness program, memory support, and landscape beautification. Gifts of every amount and every type were put to use to further our Mission.

We hope you feel inspired from the donor stories in the pages that follow. Thank you for your continued kindness and caring.

NEW RESIDENTS DEDICATE FUNDS TO HELP OTHERS THRIVE THROUGH MUSIC

For high school sweethearts, Ruth and Ed Cogen, who met at the High School of Music and Art in NYC, music is a natural part of who they are and it was important they find a senior community that fostered that passion.

Ruth, 86, is one of three women who founded the Levine School of Music, and for her and her husband, finding a way to give back at Ingleside was easy.

After moving to Ingleside at Rock Creek in January of 2020, they immediately got engaged philanthropically. In 2021, they made a leadership legacy gift to the Westminster Ingleside Foundation by establishing a Charitable Life Income Fund through the Foundation's gift annuity program, using a portion of their refundable "buy-in fee" to fund their gift. The residuum will one day benefit Music Therapy and Musical Guest Performance programs at Ingleside while the gift currently produces a tax deduction and income stream for the donor.

Ed and Ruth shared that the music therapy program in the IRC health building, now provided by Levine Music's music therapists, combines the engaging and transformative power of music with the health and wellness goals for Ingleside's residents. They saw this as a wonderful opportunity to support what they believe in. "We also want to support the concerts here at Ingleside that give all residents joy. We know how great music is from a physical and mental point of view."

Ed served in the Air Force JAG, as the General Counsel and Deputy Director of the Mid-Atlantic Regional Office of the Office of Economic Opportunity (OEO) "War on Poverty," and most of his career in private law practice.

Ruth started her career in development at the Sheridan School in DC, then as Director of Development for the League of Women Voters, and finally as executive director of Washington Area Lawyers for the Arts before she became a consultant in fundraising and board development.

Before moving into Ingleside at Rock Creek, the Cogens were able to make changes and move a wall in their living room to make space for their baby grand piano. Ed is now part of a piano group at IRC that meets once a month and encourages its members to practice and hone their skills. He also provides background piano music for IRC hospitality events.

Ruth is a new member of the IRC Development Committee and chairs the Marketing Committee, and says it was easy to fit into this engaging community. She is looking forward to the IRC choral group singing again.

"Everything we need is here," Ed said. "We've absolutely made the right move. This is a really caring community and we have made new friends and reconnected with old friends as well," Ruth said. "It's been wonderful."

HONORING A WIFE AND LIFE DEDICATED TO FAMILY

Dale Clark says his wife Evelyn never let anything get in the way of her family and spending time with her three daughters and her husband.

“Her family was her principal focus,” said Dale, who moved into Westminster at Lake Ridge in 2007.

Evelyn died at the age of 85 in June of 2021. Dale chose to donate a \$100,000 gift in memory of Evelyn to enrich life at Westminster at Lake Ridge. Philanthropic support can help in many ways in our community, whether it is improving community spaces or expanding services like memory support, gifts enhance life at Westminster at Lake Ridge.

In recognition of this gift, Westminster at Lake Ridge will create a beautiful spot with flowers and other landscaping because Evelyn was fond of flowers and spending time outside with those she loved.

“The goal is to set up some place where families can meet and talk while they’re here on the campus,” Dale said. “I think she would like it very much and if the flowers are blooming, I’ll know she’s smiling.”

Both Dale and Evelyn were very involved in the Westminster at Lake Ridge community.

Dale served as Chairman of the Board of Directors of the Westminster Ingleside Foundation for six years and currently serves as Director on the Board of Directors of Ingleside and Westminster at Lake Ridge. He has served on the Ingleside Corporate Governance and Nominations Committee since 2008.

Evelyn had a passion for the library and music. She was a chair of the library in the community for a while and later co-chair. Evelyn and Dale were both in choral groups sharing their love of music.

“She was a lovely alto and had a beautiful smile,” Dale said.

A PASSION FOR GIVING BACK TO OTHERS

Sy and Sheila Herman only moved into Ingleside at King Farm in July of 2020, but they are not new to fundraising and giving back.

Upon their arrival at Ingleside they had an immediate impact. They have given a \$100,000 gift designating \$50,000 for the Aquatic Center and a naming gift for the jacuzzi; \$40,000 for the Resident Supporting Fund; \$10,000 for scholarships, a leadership charitable life income agreement; and an additional \$13,000 for cultural arts, which includes an underwriting class on memoirs and a Broadway music performance. They also donated another \$100,000 in November of 2021 as part of their refundable entrance fee with 85% of it going to the King Farm Scholarship Endowment Fund.

Sy is a Certified Public Accountant and former Director of Accounting for the Federal Systems Division of IBM and was a principal with Arthur Anderson for 13 years as a government contract consultant after serving in the Air Force. Currently, he is an arbitrator for FINRA. He has an LL.M. degree from George Washington University and was a professorial lecturer at the university.

He says Ingleside at King Farm is everything he ever wanted. "I really love this place," Sy said. "It's wonderful being here because everything is close by, there are so many opportunities to be involved and I know that my children are close by."

Sy swims about every day before breakfast. "They open the pool at 6:00 a.m. and I'm usually one of the first to be there almost every day," Sy said.

Sy and Sheila feel as though giving back to Ingleside goes a long way to helping others. "I just felt that they were doing such worthwhile work in terms of their policy that no one ever has to leave the community on the basis of financial hardship," Sy said. "I think the employees do such a fantastic job and I try to support employee scholarships."

Sy said he owes it all to his wife. "I wouldn't be here if it weren't for Sheila," he said.

Sy and Sheila are also both involved heavily in volunteer work. Through Sy's background working for IBM, he says that the company makes a special contribution every year of \$500 a person for every volunteer who donates 40 hours of work. "We have at least half a dozen people here who I've recruited to help out who are former IBM employees as well," Sy said.

Sheila has been involved in the Bazaar at Ingleside. At Ingleside she was in a Purim play and a Passover play. She was a successful legal secretary in New York City for a number of years and was ranked third in the city for her stenotype.

Sy and Sheila say their new home at Ingleside is perfect for their life. "Everyone is very warm and welcoming," Sheila said.

We are grateful for everything Sy and Sheila do to inspire others and enrich life at Ingleside!

LIVING LEGACY SOCIETY

Westminster Ingleside Foundation annually recognizes members of the Living Legacy Society for their special generosity and commitment. These events honor leadership donors who have made a lifetime gift or made provisions in their estate with commitments of \$25,000 or more. Through their support, they assure the future mission of Ingleside at Rock Creek, Westminster at Lake Ridge, and Ingleside at King Farm.

SCHOLARSHIP RECIPIENTS

ARVETTA HART

One of the more rewarding aspects of Arvetta Hart's job as a Licensed Practical Nurse is the opportunity to form relationships across generations and see the difference good nursing care can make for residents and families. "I have the opportunity and privilege to work with people who have lived entire lives by the time I interact with them. The life experiences they've had and the lessons they've learned are invaluable. I have heard so many interesting stories and enjoy them all." Arvetta finds it very rewarding to take care of residents while fulfilling her life's destiny and journey as a nurse, which began at Ingleside at Rock Creek when she was 16. She was able to complete community service hours by assisting residents in wheelchairs, taking them to chapel services and meals, and reading mail to those with visual impairment. "I've been here for over 25 years and I love working here! I love the residents and the atmosphere of home."

HILARY BROWN

Dining Services Supervisor, Hilary Brown, said the Westminster at Lake Ridge scholarship is a gateway to opening new opportunities and is not just used for school. It can also be used to help employees with the U.S. Citizenship application fees, certifications, learning a new language, books, tuition payments, and more, to better yourself and grow. "I applied for the scholarship because I needed financial assistance with school and the Kreider Professional Development Endowment Fund was a much-needed help to me to further my education and provide the financial ability to achieve my goals." The scholarship also provides structured and easy access to funds to eligible candidates, which is a great benefit that many employers are not able to offer. "It definitely is a tool for anyone to improve their career opportunities and helps open doors in the future."

BLESSING DOH

Blessing has been with Ingleside at King Farm (IKF) from the beginning, over 12 years. She began as a Server in the Dining department and was able to advance her career to become a Geriatric Nursing Assistant (GNA). We are fortunate that she chose to continue to share her talents at IKF. Over the years as a GNA, she moved from full time to part time but always stayed connected to IKF. She is now pursuing the next step in her career path which is studying for her Licensed Practical Nurse (LPN) certification. It is with the assistance of the Ingleside at King Farm Employee Scholarship Endowment Fund she is able to take this next step in her career and we look forward to her once again sharing her new talents. Blessing embodies the vision of Ingleside being a place where individuals can learn, grow, and advance their careers.

NANCY NDZIEH

Nancy Ndzieh is one of the pioneer employees of Ingleside at Home. The warm reception and acceptance from clients when she is in their homes means a lot to her as a caregiver. The most rewarding part of her job is seeing a client really happy, satisfied with her help, and able to do things that at one time they could not. Nancy was recently awarded a scholarship to put toward her citizenship, which could not have come at a better time. "The scholarship I received was a very big financial upliftment and answered my prayer toward becoming a U.S. citizen. My scholarship application approval was a blessing and something I will never forget. I wish to say a very big thank you to everybody that made this happen—I really appreciate you all. Now I am a proud citizen of the United States of America!"
